

MILLSAPS COLLEGE
JACKSON, MISSISSIPPI 39210

Millsaps College Summer School Bulletin

SUMMER SESSION 1970

First Term June 6 - July 11

Second Term July 13 - August 15

Millsaps College

Summer Session 1970

FIRST TERM

JUNE 6 - JULY 11

SECOND TERM

JULY 13 - AUG. 15

REGISTRATION

Application blanks may be obtained by writing to Director of the Summer School, Millsaps College, Jackson, Mississippi, 39210. Preregistration is advisable.

High School graduates attending for the first time must supply a complete transcript.

College students entering Millsaps for the summer terms only must provide a statement of eligibility from the dean or registrar of the last school attended.

THE REGULAR SESSION

Students interested in attending during the regular session should contact the Director of Admissions, Millsaps College, Jackson, Mississippi, 39210. The fall term will open September 12, 1970.

WHY SUMMER SCHOOL?

The Millsaps Summer School is designed to serve —

- High school graduates who will enter college this fall
- Regular students working toward a degree at Millsaps College
- Visiting college students who desire to earn credits for transfer to other institutions
- Teachers who need courses for certification requirements
- College students and others who desire work in specialized areas

AIR-CONDITIONING

Library, classrooms, cafeteria, and dormitory facilities are air-conditioned

Computer X150, Computer Orientation (1 unit, extra-curricular credit) meets 1:00 - 2:00 p.m. on Mondays and Thursdays. SH-132. Mr. Gordon Langseth, Instructor. Offered both terms.

Geology 100, Earth Sciences (6) meets 8:00 - 11:00 a.m. four days a week and 7:30 a.m. - 12:00 noon for field trip one day a week. Dr. J. O. Snowden, Instructor. SH-056. First term only.

Theatre Workshop (3-3) meets daily at 1:30 p.m. Mr. Lance Goss, Director. CC-4. Offered both terms.

*Courses open to freshmen.
 **Intermediate courses in foreign languages open to freshmen who have had two years of the same language.
 # Classes meet from 10:50 until 12:50.
 LABORATORY SESSIONS, WHERE REQUIRED, WILL BE ARRANGED AT THE FIRST MEETING OF THE CLASS.

Art 301-302, Painting and Drawing (3) meets 1:30 - 3:30 Tuesday, Wednesday, Thursday. Mr. William Rowell, Instructor. Galloway Hall. First term only.

MILLSAPS COLLEGE SUMMER SESSION 1970

GENERAL INFORMATION

Schedule of Classes and Examinations

Regular classes meet every weekday morning. Laboratory sessions, where applicable, are scheduled chiefly for afternoons.

During the first term, classes will meet one Saturday: June 13. Final examinations will be given Saturday, July 11.

During the second term, classes will meet one Saturday: July 18. Final examinations will be given Saturday, August 15.

Course Offerings

All courses listed will be offered, but the College reserves the right to withdraw a course if there is insufficient registration or to change instructors if necessary.

Class Load

The maximum load a student may take is seven semester hours in one term, fourteen semester hours in two terms.

Transferring Credits

To transfer credit earned during the summer, a written request must be filed with the registrar of Millsaps College.

Cooperative Program With Belhaven College

Students attending the Millsaps College Summer School will be allowed with the permission of the Dean to enroll in courses offered by Belhaven Summer School. The courses will be included in your Millsaps enrollment, thereby eliminating the necessity of sending additional records to the second college. The courses and grades will be listed on your Millsaps record.

EXPENSES

Tuition per five-week term

Five semester hours or less, each hour -----	\$ 30.00
Six or seven semester hours -----	\$180.00

Laboratory fees, per term

Art 301 - 302 -----	\$ 10.00
Biology -----	\$ 10.00
Chemistry -----	\$ 10.00
Geology -----	\$ 10.00
Modern Languages -----	\$ 5.00
Physical Education 201, 202, 221, 222 -----	\$ 2.00
Physics -----	\$ 10.00
Theatre Workshop -----	\$ 10.00

Room and Meals, per five-week term

Dormitory Room -----	\$ 37.50
Meals, optional -----	\$ 75.00

Housing and Board

Adequate college housing is available for both men and women. Dormitories are air-conditioned. Unless written permission has been obtained from the Office of Student Personnel, undergraduate students not living at home are expected to live on campus. No freshman men are permitted to live in fraternity houses.

Meals are served in the College food service areas. The meals plan, which is optional, provides economical, regular meals from Monday breakfast through Friday lunch at \$75.00 per term.

Scholarships and Loans

During the summer session no scholarships are available, and no reductions in tuition are made. National Defense Student Loans are available to students enrolled full time in the spring or fall semester of 1970.

SPECIAL PROGRAMS

EARTH SCIENCES (Geology 100)

During the first term (June 8 - July 11) a Survey of the Earth Sciences is offered to academically talented high school students who have completed the junior year. Subjects stressed are geology, meteorology, oceanography, and astronomy.

Three to four lecture-laboratory sessions and one field trip per week. Six hours credit. Course taught by Dr. J. O. Snowden, Jr. Tuition \$95. For information, write Dr. Richard R. Priddy, Chairman, Department of Geology, Millsaps College.

MUSIC COURSES

Summer study in piano may be arranged with Mr. Polanski.

WORKSHOP IN ART

Art 301 - 302, Painting and Drawing. Oil and water color. Materials and properties of painting and drawing, methods of presentation, composition problems, and a survey of the evolution of painting and drawing. 3 hours credit. Mr. Rowell. Classes meet three afternoons a week 1:30 - 3:30 Tuesday, Wednesday, Thursday in Galloway Hall. Laboratory fee, \$10. First term only.

COMPUTER ORIENTATION

Introduction to computer facilities and use of BASIC programming language (Computer X150), carrying one unit of extra-curricular credit, will be offered each term. The classes will meet from 1:00 to 2:00 p.m. on Mondays and Thursdays.

THEATRE WORKSHOP

The workshop will stage a major production each term of the summer session. Also, summer school students not enrolled in Theatre 171-172 are nevertheless invited to participate on a non-credit basis. Classes and rehearsals every afternoon. 3 hours credit. Offered both semesters.

FRESHMAN COURSES

High school graduates planning to enter Millsaps or any other college may complete a significant portion of the standard freshman-year work.

Among the courses particularly designed for freshmen are:

Sciences: Fundamentals of Biology, General Chemistry, Physical and Historical Geology, General Physics.

Mathematics: Foundations of Mathematics, Pre-calculus Mathematics.

English: Freshman Composition.

Languages: Beginning and Intermediate courses in French, German, and Spanish.

GULF COAST RESEARCH LABORATORY

Two Millsaps geology courses are offered at Gulf Coast Research Laboratory, Ocean Springs, Mississippi:

Geology G361. Physical Marine Geology. The physical process at work on the shores and in the shallows of Mississippi Sound; taught by Dr. W. L. Silver, of the Laboratory staff. Three semester hours credit. July 20 - August 8.

Geology G362. Chemical Marine Geology. The chemistry of the waters and the geochemistry of the bottoms of Mississippi Sound; taught by Dr. J. O. Snowden, Jr. Three semester hours credit. August 10 - August 29.
